The Press House Award went to the press house that pressed the most ward winning oils, that was The Olive Place – Margaret and Ross Legh.

Congratulations to all winners, we had a record number of entries this year (41) and the judges were very impressed by the very high quality of the oils overall, thank you all for making this competition such a success and I think is now a competition to be held in high regard. A greater number of gold and silvers were awarded than in past competitions. Comments from the judges will be in the next Oliveti magazine.

You can order your medals from T and D Print email Catherine sales@tdprint.co.nz tell her how many “dots” you want and she will get them to you very quickly.

Best Wishes

Verity
